

A Separate Darkness

Iraqi woman hovering
coffins in the clip. Over-
head angle renders

her wing-like, a sable
moth. No sound, thus

we're bereft of her moans
out from resonant hollows,

where death grates
too, if you could hear.

But we must flip
channels to hold
our own life fast,

its loud cost
of doing business.

Troika

Rumsfeld is an interesting man. He
compiles rules in Business English
which passes for circuitous wit

in ass-sucking circles. Reporters
will truly miss him. Bush is

not an interesting man.
Cheney is ice.

What else?

The price of Empire

is murder. Onboard?

Academic question.
